

Hello dear TeamGym - friends!

TeamGym International Cup for Clubs 2011

is a new way to give Juniors and Seniors possibilities to **compete internationally** in TeamGym with their own Club.

There are many competitions around the Europe. The teams can take part in as many competitions as they choose. Competitions will be held in those facilities that each organizer has.

Organizers will inform the teams in the invitation about the facilities.

All competitions will be organized by National Federations/ Clubs. Due to this, invitations must be sent directly to organizer of each competition. Registration for the competition must be done at least 2 months before the competition.

Organizers will give more informations about sending the tariff forms.

Cup is open to all Junior teams (women, mixed, men), age range for juniors is 13 – 17 (birth year) and Senior teams, age from 16.

Same gymnast can take part only in one category (women, mixed or men) and age (junior or senior).

We use new CoP 2010 with following "JUNIOR CHANGES":

- height of the vaulting table can be 150cm or 160cm (men also 165cm)
- floor difficulty; 2 gymnasts can fail in difficulty element and the team still gets the value of the element

Teams need to bring they own judges.

* 1 national brevet judges/ team (no need to bring more than 4 judges/ country)

* In every competition we will have AT LEAST one international judge as a head judge of the competition.

Winner of the Cup is the team which has collected the highest amount of ranking points (more the total points) from the best **two** competitions (only one competition is out of ranking) in the same category (or at least 2 juniors or at least 2 seniors). The ranking will be counted after the last competition.

First price: one week free (12 + 2) in training camp Accademia Acrobatica, Cesenatico, Italy!

Second price: one week 50% discount (12 + 2) in training camp Accademia Acrobatica, Cesenatico, Italy!
